

Company Overview

Kaiyuh Information Technologies, LLC (KIT) is a creative, results-driven capabilities provider for the US Federal Government and delivers service in two distinct areas: Support Services; and IT Services. KIT is part of the Gana-A'Yoo, Limited family of companies that has offered a full suite of Administrative Support Services, Construction, Facilities Maintenance, Food Services and Janitorial Services to federal clients for nearly 30 years. Clients value our consistent, reliable, resourceful approach. We provide solutions that incorporate proven concepts in both industry and the Federal space. Kaiyuh Information Technologies, LLC has streamlined operational methodology and practical expertise in leveraging quality to facilitate the success of many government programs.

We are renowned for excellence in delivery, performance, and customer satisfaction, as evidenced by outstanding feedback and CPARS ratings. We know our customers have choices, and we are dedicated to ensuring KIT is the company you chose to be part of your team.

Kaiyuh Information Technologies, LLC

A Gana-A'Yoo, Limited Company

Past Performance

Customer: US Army Signal Regional Network Enterprise Center - Fort Belvoir, VA

Contract: W91RUS-16-C-0013

Services: KIT provides Desktop Support Engineering as single point of contact for end users to receive support and maintenance within the Network Enterprise Center, desktop computing environment. This includes installing, diagnosing, repairing, maintaining, and upgrading hardware and equipment (including but not limited to PCs, VTCs, laptops, printers, scanners and mobile devices) to ensure optimal performance.

Customer: Kings Bay Naval Base - GA

Contract: N68836-16-P-0370

Services: KIT provides support services to support on-going requirements in the areas of executive staff, administration, training, warehousing, logistics and providing office management support for the SWFLANT Security Department. KITs support services provide support for service members assigned to the MCSFBn and SWFLANT Security Department personnel, who also provide services in support of the SWFLANT mission.

Customer: Naval Construction Training Center – Gulfport, MS

Contract: N68836-17-P0651

Services: KIT carries out the training requirements to military personnel in the Army, Air Force and Navy Seabees assigned to construction occupational fields, by providing certified instructors and a master scheduler.
