Have you received assistance from any federal, state, or local governmental program related to the COVID-19 public health emergency such as unemployment compensation, payroll protection plan disbursements, etc., or have you applied for and received assistance from any other Alaska Native Corporation or Tribe? Yes No

Answering yes does not automatically exclude you from receiving a grant from the Program.

This information is requested because you cannot receive a grant for expenses or financial hardship that was already fully accounted for or fully reimbursed by any CARES Act program administrated by another Alaska Native Corporation, tribal government, or local, state, or federal government, (such as the Paycheck Protection Program or CARES Act grants from tribes or local governments). If yes, please provide details and amount, including what expenses the assistance was reimbursing, and explain whether your need has or has not been fully met: _____
